- vented brush barrels allow for faster drying time
- the hands-free way to style your hair

Dry, style and curl your hair in one simple step

Click N Curl™ is the fast, easy way to get professional styling results at home. Just wrap your hair around the brush barrel. Press the release button on the brush handle and leave the barrel in place. Then attach the next barrel and repeat the process. The barrels stay in place, no clips required. The result is volume and loose flowing curls without wasting precious time. Includes five 2" ceramic-coated barrels and the brush handle.
